REDWOOD CITY, CALIFORNIA - SATURDAY, NOVEMBER 15, 1919

ESTABLISHED 1850

SAN MATEO COUNTY APPRECIATES SERVICES OF WORLD WAR HEROES

Redwood City was a deserted city last Tuesday. All went to San Mateo to take part in the festivities there in honor of the overseas boys.

The first anniversary of Armistice Day was celebrated in a manner that will long be remembered by all the people of San Mateo county. San Mateo is to be congratulated for the manner in which they entertained their visitors.

The splendid parade, representative of every section of the county, was an outward sign of the spirit of honor which prompted the public to show the men who were welcomed home that we are united in peace as well as war. It was a spectacular procession, well arranged and expressive of the deep sense of gratitude of the world today. From the grand old veterans to the tiny tots who marched gayly along conscious of the fact that they were attractive in their bright red, white and blue colors, the street was filled with a happy populace.

The exercises at the auditorium in the afternoon were well-attended. The following well-timed speech of welcome by Horace Amphlett was well received and heartily applauded.

We are gathered here today to do honor to the boys of San Mateo county who offered their lives to their country in the great cause of liberty and justice. Over a thousand young men from this county in the prime of their lives severed the ties which bound them to their homes and dear ones and without a thought of the personal sacrifice they were making, they left their all to their country in order that this flag might be forever flying to the breeze of a free country.

Light continue to be a symbol of freedom and liberty to the oppressed peoples of all times. This flag that has never been carried to any except in the glorious cause of freedom and justice—the flag that has never known a surrender—the symbol of liberty that the

world has ever known was again carried forward in the cause of right by these valiant crusaders of San Mateo county and their millions of equally valiant comrades in arms. Again it has returned from the field of battle unsullied and with greater and more holy glory than ever before.

No tyrant, however powerful, will ever again dare to make plans of cruel conquest and oppression without first reckoning the stern justice of old glory and no people, however down-trodden and oppressed will ever feel that they must call for help in vain as long as this glorious banner spangled with stars and with gleaming stripes waves over a nation with sons as these men who went forth in the great fight for democracy.

We welcome you back to the home towns which you left with sad but brave hearts to enter the lists and battle for freedom. We welcome you back with a reverence and sincere thankfulness that your battle was so successful and your work so nobly done. We welcome you back and assure you that those who stayed at home at the last lines of defense are not ungrateful of the service you performed for them and that you can count on every one of them to do every thing in his power to assist you in your return to civil life. As you went unselfishly to the great fight so will those for whom you fought strive unselfishly to make your return to the tame and less glorious pursuits of peace as happy as possible.

You will find that the grateful people for whom you fought and won the battles of liberty are ready and willing to fight that you may have the justice and the honor that you have so gloriously won. Whether or not you crossed the seas and fought in the fields of Flanders or of France, you all stood ready to do as your country asked—regardless of the cost in money or in blood and suffering to yourselves. It was that sacred spirit of patriotism that made the flag you supported victorious and it is that same spirit which makes us grateful for your work. It is for that we thank you and welcome you joyfully to your homes after your great work so successfully done.

And so I say and I speak for every man, woman and child in San Mateo county—Welcome, thrice welcome—Valiant sons of a valiant flag! As you were successful in the great business of war so may you be successful in the greater business of life.

Joseph F. Millett has brought an action in the superior court against Harriet B. Chandler and others to quiet title to lot 3 block 73, Abbey Homestead Association, Colma.

Powerful Overland 5-passenger, 4-cylinder, electric lights and starter, two spare tires, Willard Bat, newly painted, enquire Flag Man, Atherton station.

THE WEEK'S EVENTS IN LOCAL CIRCLES

The young ladies employed in the local telephone office are rejoicing this week and are very happy in receiving notice from the head office of a raise in salary. Their raise has been from \$3 to \$5 a week. The head operators now receive \$20.50 a week. Young girls starting in receive a compensation of \$12 a week. After three months they get \$13 and after six months \$14. When they have worked for five years they will receive \$20.50 a week. The chief operator, of course, gets considerably more. The raise is satisfactory to the young ladies. There will be no more strikes. All's well that ends well.

Rod Heydenfeldt, an overseas man, has been appointed by the United Public Health Service an inspector for Santa Clara county. Young Heydenfeldt has already begun a campaign in that county to exterminate the squirrel and other rodents bearing on their bodies disease germs. The government is determined to rid the state of this infected animal and has started a campaign all over California. Mr. Heydenfeldt will be employed for an indefinite time and good pay. Mr. Heydenfeldt served overseas with the Coast Artillery. He was in the first engagement of the war.

Mrs. Barbara Kaiser has sold her ten acre tract on the highway north of town near the Italian vegetable gardens to W. L. Harder of San Francisco who intends engaging in chicken raising. It is said nearly \$1000 was paid for the choice realty. Mrs. Kaiser at one time conducted the Redwood City House here but for many years has resided in San Francisco.

A Brog, for some months employed by the Liberty Market, leaves today for San Francisco to permanently reside. He has secured a good position in the city with a wholesale house. His family, after a residence here of nineteen years, removed to the city a month ago.

Cannies of every breed in this city are seeking places of safety these days for they know that Alexander Hope, the new poundman is after their scalps. Mr. Hope was appointed by Chief of Police James P. Coleman last week. Hope is a trained and experienced dog man who has specialized in dog catching. During the week he has taken over a dozen canines to the pound. Mr. Hope was formerly the Royal Fox Hound huntsman for King George of England and with whom he had been employed for ten years. Hope is a dog fancier and his judgment has often been sought by animal trainers. Redwood City is fortunate in having such a man as pound master.

Redwood City Post American Legion announces a grand ball to be given in Forester's Hall, Redwood City, on Saturday evening, December 20. The committee of arrangements is Eric Thompson, chairman; Fred Zimmermann, William Bodirsky, John Lanfear, Stanton Mullen, Milton Marcus and Floyd Granger.

Large bill boards are being put up on front of the property owned by Redwood Lodge, F. and A. M. by a San Francisco advertising firm. They pay a neat sum to the lodge for the privilege. The lot is vacant but was once the site of the old Pioneer Stables torn down some time ago when the property was acquired by the Masons.

Dr. F. S. Gregory and Mrs. Gregory have returned from a two weeks' vacation spent in the southern part of the state. They motored through Santa Barbara, Los Angeles, San Diego and all the southern cities. Dr. C. L. Gregory had charge of the office in his son's absence. Both Dr. and Mrs. Gregory enjoyed their trip immensely, both think there is no place like Redwood.

Charles Lester Palmer has been appointed the Examiner reporter for the peninsula in place of Mr. Davis who resigned a short time ago to edit a trade paper in San Francisco. Mr. Palmer resigned a good paying position with the Associated Press of San Francisco to accept a place on the Examiner. Mr. Palmer is a good writer, a live reporter and a genial gentleman. We bespeak success for him as the peninsula newsgatherer. Mrs. Earl Eikerenkotter was here on a visit to her mother-in-law, Mrs. George Eikerenkotter last Saturday. Her husband, who was a Y. M. C. A. secretary at Cheyenne, is out of the service and is doing field duty for the Y. M. C. A. at Wyoming. He will shortly finish this work and is expected here about December 15 to reside.

Mr. J. Hayes, a deputy in the office of Recorder E. Godchaux in San Francisco was here on Wednesday and called upon Recorder T. C. Rice. He highly complimented Mr. Rice on the manner in which San Mateo county recorder's office was conducted. Mr. Hayes has been a deputy recorder for over fifteen years. Mr. Godchaux has been recorder for over 20 years.

3397 CALIFORNIA BOYS DIED IN WORLD WAR

The War History Department of the California Historical Survey Commission of Berkeley have sent out a list of California boys who died in the war. There were 3397 who made the supreme sacrifice. Of this number 1107 died in action, 397 died of wounds, 648 died of disease, 71 died in aeroplane accidents, 1955 died in camps and 119 died of unknown causes.

There were 56 San Mateo county boys who made the supreme sacrifice, 20 died in action, five of wounds, 11 of disease, two aeroplane accidents, 13 in camps and five of unknown causes. Los Angeles' loss was 690 and San Francisco 393. Mono county lost two men. That county had the lowest rate and Los Angeles the highest.

WALTER KNIGHT ASKS FOR LETTERS OF ADMINISTRATION

Walter Knight has applied in the superior court for letters of administration upon the estate of Louisa A. Ayres, who died at Redwood City on October 20, 1919, leaving as her only heir, James W. B. Ayres. Mrs. Ayres was the widow of Charles Ayres who died on October 16, 1891. The estate consists of real and personal property located at Redwood City valued at \$2000. James W. B. Ayres has waived his right to act as administrator and has nominated Walter Knight to act for him. E. F. Fitzpatrick is the attorney for petitioner.

PETER WILTON SENTENCED TO TERM IN SAN QUENTIN

Peter Wilton was sentenced to serve an indeterminate term in San Quentin yesterday afternoon by Judge Buck. He was taken late in the afternoon to the state's prison.

The crime was committed at South San Francisco on September 8, 1919. On the advice of his attorney, F. H. Reynolds, Wilton pleaded guilty to the unprintable crime.

COBURN WILL CONTEST FILED ON GROUNDS OF FORGERY

A contest of the will of Mrs. Sarah Saffra Coburn, widow of Loren Coburn, who was brutally murdered last June in her Pescadero home, was filed this morning in the office of County Clerk Elizabeth M. Nash by Dr. W. A. Brooke, coroner and public administrator of San Mateo county, who on Monday was appointed guardian ad litem of Wallace Loren Coburn, the imbecile stepson of Mrs. Coburn.

Immediately following the filing of the contest, attorneys for Dr. Brooke secured citations from Judge Buck directing the executors of Mrs.

Coburn's estate and the legatees named in her will to appear in court on Friday, November 28, to respond to the allegations made in the contest.

Attorneys Ross & Ross of Redwood City and John J. Barrett, C. F. Humphrey and Grant & Zimdars, all of San Francisco, are the attorneys for the contestants, Dr. Brooke. The will contest sets forth various grounds upon which it is alleged the testament should be set aside.

SHERIFF RETURNED FROM UTAH WITH THREE PRISONERS

Late yesterday afternoon Sheriff M. Sheehan brought to the county jail from Ogden, Carl and Fred Cole and James Kendall, confessed murderers of Michael J. Needham, a San Francisco taxi man, who was strangled to death at Baden. Mr. Sheehan brought the prisoners from San Francisco in an automobile. Mr. Sheehan arrived from Utah on Thursday evening.

JAMES HANEY WAS SENT TO SAN QUENTIN

After denying a motion for a new trial made by J. J. Bullock on behalf of his client, William Haney, Judge Buck on Thursday afternoon sentenced Haney to serve an indeterminate sentence in San Quentin. Haney was found guilty of murder in the first degree last week by a jury in the superior court for the murder of Albert Reidingier at Visitation on May 30 of this year. The jury fixed the punishment at life imprisonment and Haney no doubt will spend his life behind prison bars as the crime he committed was most revolting.

Mr. Bullock gave notice that he would appeal the case to the higher court. Haney received his sentence without a whimper.

THE SISTER'S FAITH Ford Will Bring Them Back

The following appeared a few days ago in the "State Register" of Springfield, Ill.

"Many are the stories of Henry Ford and his popular automobile, but Hillsboro is relating what it calls the best of the season, and the facts in the case are true. It happened in one of the leading churches of the city that the pastor took for the text of his sermon, 'Better Church Attendance.'

"The pastor held that the automobile has taken more people away from church than any other thing. He concluded with the exclamation: 'The Ford car has taken more people to hell than any other thing that I can mention!' Whereupon an old lady in the congregation began to clap her hands and moan 'Praise the Lord! Praise the Lord!'

"What's the matter sister?" asked the pastor.

"The Ford never went any place that it couldn't make the round trip, and I am sure that all of those people in hell will be back, she answered. So praise the Lord."

PROSPERITY OF COUNTY SHOWN BY HEAVY BUSINESS OF RECORDER

The month of October was a record breaker for the county recorder's office. More papers were filed during that month than at any month in the history of the office. The fees collected were nearly \$1200. During the entire year the office has done an enormous business. To show the prosperity of the county it might be stated that over 300 mortgages were cancelled and over 500 deeds to property were filed, many of the purchases

coming from Alameda county and the San Joaquin valley. Santa Clara county has even had a greater season of prosperity owing to the big fruit crop there.

The recorder considered \$1200 for one month's work very large but during the months of October \$4000 was paid in fees. Seven hundred and fifty mortgages were cancelled in that county during the year.

Such prosperity in both adjoining counties is highly encouraging.

WALTER KNIGHT HAS APPLIED FOR LETTERS UPON ESTATE OF C. AYRES

Walter Knight, of Woodside, has applied in the superior court for letters of administration upon the estate of Charles Ayres, who died at Redwood City on October 16, 1891. He left a will bearing date of January 13, 1886, naming his wife, Louisa A. Ayres and Frederick L. Pritchard executrix and executor respectively. Mrs. Ayres qualified and in 1894 the estate was distributed.

The devisees and legatees under the will were Louis A. Ayres, Mrs. Lizzie Brittan then residing at San Francisco, Charles Ayres Jr., Redwood City and James W. B. Ayres, then seven years old. According to the decree of distribution Mrs. Ayres was to receive all the personal property and the real estate and hold it during the natural term of her life and when she died it was to go to the surviving children of the decedent share and share alike. Should the children pass away before Louisa A. Ayres then she would become the sole owner of the property.

Mrs. Lizzie Brittan and Charles Ayres Jr., children of a former wife, passed away some years ago. Mrs. Louisa A. Ayres died on October 20, 1919 leaving as her only heir her son, James W. B. Ayres whom according to the decree of distribution of his father's estate becomes the absolute owner of the Charles Ayres property which consists of the Tremont House on Main street, Redwood City valued at \$10,000. Charles Ayres conducted this hotel for many years and in bygone days it was one of the best known hostilities on the peninsula.

James W. Bicknell Ayres, named after a former superior judge of this county, Judge James W. Bicknell, has waived his right to complete the administration of his father's estate and has nominated Mr. Knight to act for him. E. F. Fitzpatrick is the attorney for petitioner.

REV. MICHAEL J. WALSH HAS BEEN GIVEN PROMOTION

Rev. Michael J. Walsh, the popular pastor of the Catholic church at Colma, for a number of years, has been given a deserved promotion by Archbishop E. J. Hanna. He has been made pastor of St. Rose's parish, one of the most prominent in San Francisco. Father Walsh was well-known in the county where he was highly esteemed.

DISTRICT ATTORNEY FILES INFORMATION IN PERRY-MARTIN CASE

Today District Attorney Franklin Swart will file an information in the superior court against George Perry and Louis Martin charging them with a statutory offense.

Last week Judge Griffin held both young men over to appear before the superior court fixing the bail in both instances at \$5000 cash or bonds in the sum of \$10,000.

BUILDING MATERIAL FOR SALE

All of the lumber, cement, plaster and Malthoid roofing for garage 14 x 20 or similar building, invoice \$130, bargain at \$100. J. W. Poole Draying Co., Redwood City.

MRS. J. STOLTZER STARTS ACTION FOR DIVORCE

Alice Stoltzer has brought a suit in the superior court against her husband, Albert C. Stoltzer, on the ground of extreme cruelty. They were married at Oakland on May 15, 1909, and separated at Millbrae on November 4, 1919. The community property comprises of a grocery store, at Millbrae, fixtures and book account amounting in all to \$3000. Mrs. Stoltzer asks for attorney fees in the sum of \$200, costs \$25 and alimony in the sum of \$50 a month and a share of the community property. Plaintiff also asks to have a restraining order issued preventing the husband from selling the property.

ADDITIONAL LOCALS

Henry Steinberger, manager of the Frank Tanning Company of this city was in Los Angeles on business for his firm. He spent five days in the Southern Metropolis and was greatly pleased with his visit. He returned home Sunday morning. He was accompanied on the trip by Harry Jacobson a former Redwood City man who is one of the officials of the Frank Tanning Company.

The first and second teams of Sequoia Union High School went to Santa Clara yesterday and played the first and second teams of the Santa Clara High School. We are unable to give the results but we hope that the local boys will bring home news of having won both games.

Captain Harry Robertson of the aviation section of the United States army has been spending the past two weeks with his parents, Mr. and Mrs. A. M. Robertson here. Captain Robertson has been stationed in Texas during the time we were in the war and has not yet been mustered out of the service. He has resigned his commission and is now trying to get his discharge.

Miss Gertrude Beeger went to Manteca last month to visit her friend, Mrs. Roger Olmstead. The school at Manteca needed one teacher to fill its complement of instructors. Miss Beeger was pressed into service until someone could be secured to fill the place. No one has yet been elected and so much against her will the young lady is still filling the position.

Mr. J. C. Williamson the well-known Pescadero business man was a local visitor yesterday.

The teachers of San Mateo county will meet this morning at the High School, San Mateo and effect a permanent organization as an association for the betterment of teaching conditions. Miss Anna T. Haley is temporary chairman and Mr. B. E. Myers temporary secretary of the meeting. The purpose of the organization will be to try to bring the affairs of its members to as pleasant a condition as possible. They expect to begin a campaign wherein the teachers of the small districts will be able to get salaries as large as those in larger communities. This must be effected through state legislation and the organization expects to be able by acting as a body to secure many things which it would not be able to obtain if the members acted as individuals.

DESERVED TRIBUTE TO COUNTY'S WAR HEROES

The people of San Mateo county on Tuesday paid a deserved tribute to the overseas boys in the manner in which they entertained them and lauded their work in speech and song. San Mateo did itself proud by the lavish way it provided entertainment and amusement for all. Too much honor can not be paid the gallant young men who went to war in order that democracy might have an abiding place in the world. Generations yet unborn will reverence their names and honor their noble deed in the great struggle which put an end to autocracy and made democracy throughout the world triumphant.

ENCOURAGE THE PROPOSED MUNICIPAL WHARF

The municipal wharf enterprise which is receiving so much attention at present by the people of Redwood City should be encouraged by every property owner in this section. It is a commendable enterprise that should be boosted. The town council is to be commended for the support it is giving the project. The good work of the Chamber of Commerce in this behalf has the hearty support of all. The wharf is badly needed, in fact it is an absolute necessity at present. The good results from the contemplated wharf is inestimable.

ROOSEVELT WAS NOT A DIGGER OF GOLD

Theodore Roosevelt left an estate of about \$800,000, a considerable part of which was inherited, and yet nobody doubts that had he turned his mind to money-making he might have been worth many millions at the time of his death. But he chose the greater way, the road of public service, of helpfulness to mankind and especially for his fellow countrymen, in preference to the digging for gold and he died only in what might be called in this age of great fortunes, "comfortable circumstances."

But Theodore Roosevelt did not spurn money nor did he underestimate the value of it; indeed he realized its great value in putting over great works. But to him money was not a goal nor even of any special value except as it might be needed to aid him or others in carrying on the worth while things of life. And so instead of turning his lofty talents into the channels where wealth is to be found, he used them for the uplift and the education of humanity and his memory is revered because of the lofty ideals that he had, his sturdy Americanism, his strict honesty of purpose and the cleanliness of both his public and private life. The men whose memories have lived long after they have died, seldom have been very rich and many have been very poor.

AMERICA HAS HELPED, NOT HARMED, HER IMMIGRANTS

The New York World, administration organ, alleging the "exploitation" of foreign born in America by the industries of the United States asks who brought the foreign born to America. There are no American natives but the Indians. All the foreign born came here because of the prospect of improved conditions of life in the United States, and here these improved conditions have been found. No picture of the squalor and poverty of the American wage earner can be conjured up in the fevered imagination of the American demagogue, that is so repellent as the real picture of the squalor and poverty the immigrant left behind. The World declares that we have permitted the foreign born worker to be ignorant. This country is not responsible for the illiteracy of the mature alien; to the children of the foreign born the public schools of this country freely swing open. The most wonderful story of human betterment in all the history of mankind is that which records the absorption and the elevation of the millions of Europeans who have come to this country and have found on these shores conditions that are not perfect by any means, but which have meant a measure of happiness and comfort and opportunity that would have been beyond their dreams in the old world. That these immigrants have been "exploited" by our "protected industries" has been a favorite assertion of the demagogue politicians and newspapers. That their condition has been immeasurably improved is the real truth. It is for that reason that "the gates of Castle Garden were swung inward," as President Harrison put it. The pretense that the aliens who have come to this country to improve their condition have been imposed upon is a libel upon America. It has been no haven for the idle, the shiftless the vicious or the chronically dissatisfied who are against all government, but what

it has meant in lifting the level of existence to millions upon millions of foreigners can scarcely be expressed in words.

LET THE GUILTY BE PUNISHED

The city trustees have offered a reward of \$25. for the arrest and conviction of the persons responsible for the turning in of the false alarm of fire late Friday night. It is hoped that the action of the council will have the desired result and that the guilty party will be brought to justice. The deliberate turning in of a false fire alarm is a very serious matter and a severe punishment should be meted out to the person found guilty of the offense. The assistance of every citizen in Redwood should be extended the police department in running down the guilty party.

LOCAL ATTORNEY SAYS SOIL HERE IS SUITABLE TO GROW DASHEEN

John F. Groene, the local attorney, has made the following comment on an article appearing recently in the Los Angeles Times by Edwin Tarrisse. Mr. Groene says the climate and soil of San Mateo county is peculiarly adapted for the successful growth of the dasheen or "Oriental potato."

Redwood City, Cal., November 11. —To Harold M. Finley, Farm and Tractor section, Los Angeles Times: DASHEEN.

I note an article in your paper of November 9, 1919, by Edwin Tarrisse entitled "Oriental Potato."

The writer has raised many dasheens in Florida, and has made a careful study of them.

While this plant is new in the United States, it has been raised in the West Indies for centuries, and is there considered a valuable food, and very few farms are without their patch of dasheens. The writer has seen them in the fields in Cuba, where they grow well, but experience shows that they grow equally as well, if not better in the Southern States than they do there.

We have raised them where the stalks were ten feet high, from the ground to the tip of the highest leaf. When they grow so luxuriantly, the fruit does not seem as plentiful, or as good. When stalks are from four to five feet high, you will find better and more tubers on the corn.

They grow best in low damp ground, and require a great deal of moisture. They will not grow well on high dry land, and it will be a waste of time to plant on high land, unless they are abundantly watered. The low hammock lands of Florida are ideal for the growth of the dasheen; and the low swampy land in California will be good for them.

They are easily raised; plow and loosen up the ground, and plant a tuber about two inches in the ground, they will come up in about ten days, depending a great deal upon the depth in the ground that they are planted. Cultivate two or three times during the season, and then let them grow. They require very little attention during the growing season.

The best time to plant is in March, and they will be ready to dig up in October or November. It will not hurt to leave them in the ground. We have left them in the ground all winter and found them in good condition when dug. If they are not dug, they will sprout in the spring; and we have had good crops from tubers that were left in the ground over winter. One tuber should be planted only, a distance of about three feet apart. As the plant grows, the tuber planted will increase in size, and new tubers will grow out of its sides. We have counted thirty-six tubers in one bunch, weighing over twenty-five pounds in all; and have had corms (being the center, from which the tubers radiate) measuring in size of eight inches long by four and five inches in diameter.

As they grow in a bunch, closely together, it is easy to dig them. A market is now being developed in New York, where they are used in the high-class hotels.

They are richer in starch content than the potato; the flavor is very good, something like the taste of a chestnut. They can be prepared in all forms of the potato, and in many other forms besides. They will taste the best if they are first boiled, then mashed, and then fried brown, and there is no finer dish in the world when prepared in this way.

In peeling or scraping the dasheen, it will cause the hands to itch, and for that reason housewives do not like them; however, this difficulty can be easily avoided by washing the hands in soda before beginning to peel them.

After they are dug, they will keep a long time, and we have kept some a year; but they do not want to be kept in too dry a place and it seems they require a little moisture even after being dug. It will not hurt them to remain in the ground, however.

The dasheen must be used, to be appreciated, and my opinion is that in time they will supersede the potato, being more prolific and of better taste and keeping quality.

The dasheen is also food for poultry, a noticeable increase in egg production is at once apparent.

To prepare them for feed for poultry, you must boil the dasheens, then mash them, like you would potatoes, and feed to the hens in some dish; set it before them, and they will keep at it until it is all gone. Hogs are wild for the dasheen, and to raise them, it is absolutely neces-

sary to keep the hogs away, for if they once acquire the taste of the dasheen, it is difficult to keep them out of the field.

It is a very pretty sight to see a field of dasheens, with their large, elephantine ear leaves.

They are a tender plant, and a slight frost will cut down the stalks and leaves, but they recuperate very rapidly, and come up again immediately. They are not like the potato, which when cut down by frost, kills the whole, but the dasheen will again sprout even though frost might have cut them down.

The United States Agricultural Department has an experimental farm in Florida, and each year they send out tubers upon request.

About 400 bushels of dasheen to the acre is not an exceptional crop. The dasheen will do well in the low lands of the San Joaquin Valley and also in the Sacramento Valley and the Imperial Valley, provided they are given plenty of water, and the soil should be kept moist all the time; however, after the plants are well up the leaves will keep the ground well shaded and evaporation will be almost nil.

WOODSIDE NOTES

The Early home adjoining the Hale property was sold this week to Mr. Hale for \$5000. The home contains five acres of land and is beautifully located on a sloping hill. The Earlys are pioneers of Woodside. The members of the family will reside in Palo Alto.

There is a tremendous crop of red berries in and about Woodside this year. The crop is said by all old timers to be the largest ever seen here. This is considered a good omen for a wet season.

Robins in large numbers have made their appearance here during the week. They come to feed on the berries hereabouts. The robin is a song bird and therefore cannot be shot by the hunter.

NOTICE OF DOING BUSINESS UNDER FICTITIOUS NAME

NOTICE IS HEREBY GIVEN, that the undersigned, Emma A. Reandeau, is now doing business under the name and designation of "Camp Garage," and said person intends to continue to conduct, carry on and transact business under said name and designation of "Camp Garage," at Menlo Park, in the County of San Mateo, State of California.

And this is to further certify that the principal place of business so conducted, carried on and transacted, and to be carried on, conducted and transacted, is Menlo Park, in the County of San Mateo, State of California; that said Emma A. Reandeau is the only person interested in said business; that her full name is Emma A. Reandeau, her place of residence, Menlo Park, County of San Mateo, State of California.

EMMA A. REANDEAU,
Doing business at Menlo Park, in the County of San Mateo, State of California, under the name and designation of "Camp Garage,"
STATE OF CALIFORNIA.

County of San Mateo,
On this 14th day of October, in the year nineteen hundred and nineteen, before me, Joseph J. Bullock, a Notary Public, in and for said San Mateo county, residing therein duly commissioned and sworn, personally appeared Emma A. Reandeau, known to me to be the person whose name is subscribed to the within instrument, and acknowledged that she executed the same.
IN WITNESS WHEREOF, I have hereunto set my hand and affixed my Official Seal, the day and year in this certificate first above written.
(Seal) JOSEPH J. BULLOCK,
Notary Public in and for said San Mateo County, State of California.

Going Strong

Sells Fords in Hundred Lots
Forty-One Coupes to One Firm

Three hundred Ford runabouts in on lot were purchased recently by the Liberty Yeast Company of New York City. These cars are to be used by the traveling representatives of that company and were bought only after a thorough investigation into the serviceability and economy of the Ford car. A number of other cars were considered before the sale was made. The Winchester Repeating Arms Company, also of New York City, has purchased forty-one Ford Coupes and twenty-eight Ford runabouts for its outside men. The Ford cars which were sold by Albert Hirst, Inc., of New York City are expected to increase the business-getting possibilities of the salesmen.

THE SUPERVISORS HOLD MEETING

The board of supervisors met in regular session Monday, November 10, 1919, at 10 a. m., there being present John MacBain presiding; T. L. Hickey, W. H. Brown, Jos. M. Francis and Dr. C. V. Thompson.

Attorney A. H. Reddington of Hillsborough appeared before the board and read a petition signed by Harry N. Stetson and other residents of that municipality which had been properly filed with the town trustees of the City of Hillsborough, asking for the annexation of a small uninhabited piece of territory in the Burlingame Hills tract to the said city.

A resolution presented and read by Attorney Reddington setting Monday, November 17, at 10 o'clock a. m. as the time of hearing objections to the granting of the petition, was adopted, on motion of Brown, seconded by Francis.

The board took up at this time the petition of M. H. Walsh and others of the unincorporated city of Menlo Park, which had been presented at the last meeting and which asked for the appointment of overseers and the construction of a short road in the Dominga tract, just east of the State Highway. District Attorney Swart, to whom the petition had been referred by the board for a legal opinion, reported that the petition was in correct form with the exception of the part asking for the laying out and construction of the road; in other words to comply with the law, the petitioners should have only asked for the appointment of the overseers.

Chairman MacBain, in whose district the proposed road is located, said if the petitioners would secure the necessary right-of-way, he would build the road.

Attorney Reynolds said he would make the necessary changes in the petition to conform with the requirements of the law and this having been done, the revised petition was accepted, on motion of Hickey, seconded by Thompson, and the following overseers, their names having been suggested by Chairman MacBain, were appointed in the matter: James G. Mason, Charles Wooden and County Surveyor George A. Kneese.

A report was received from County Treasurer P. P. Chamberlain showing a total collection of \$56.68 from cash and from the sale of personal property found on the bodies of deceased persons during the past year. The report was ordered filed.

A communication was received from Rufus H. Kimball in which he claimed that Ansel A. Easton had failed to keep his agreement with the county made at the time he was given permission to run his motor line through the property beyond the gates in Burlingame Hills. According to Kimball, Easton was to put the strip where the old car line ran in good condition and this the writer claims he failed to do.

On motion of Hickey, seconded by Brown, the communication was referred to District Attorney Swart so the latter could look up all the necessary information in the matter and make a report at the next meeting.

Only one bid, that of Charles Harlowe, Jr., of San Francisco, was received for the construction of the reinforced concrete retaining wall on the Pescadero to San Gregorio road near the town of Pescadero, and as the bid was considerably higher than the engineer's estimate, it was rejected on motion of Thompson, seconded by Hickey.

The board, on motion of Thompson, seconded by Hickey, thereupon ordered the work to be done by the county engineer.

Miss Anne Bell Bailey, on motion of Thompson, seconded by Brown, was reappointed county librarian for the next four years, her term of office having expired on September 20 last.

County Purchasing Agent Werder addressed the supervisors and asked what action the board wished to take in regard to providing the traffic men of the county with new uniforms.

He said the custom in the past had been for the officers to pay one-half and the county the other half the cost of the suits, which would now amount to about \$70.

On motion of Hickey, seconded by Thompson, the purchasing agent was authorized to purchase the uniforms on the above basis.

Chairman MacBain addressed the board and stated that the sheriff's office was in need of a new Ford machine to take the place of the old one which has just about outlived its usefulness, as far as the needs of the office is concerned.

On motion of Hickey, seconded by Thompson, County Purchasing Agent Werder, was instructed to purchase a five-passenger Ford from some agent within the county, making the best deal possible in turning in the old car.

A petition in regard to alleged illegal gambling in the north end of the county and similar in form to others on the same subject sent to the board recently, was received from the Burlingame Woman's Club and, on motion of Hickey, seconded by Thompson, was ordered filed.

A communication was received from the California State Automobile Association in regard to the fatal automobile accident on the Bay Shore road November 2, which cost the life of Mrs. Fred W. Morley. The association asked in the communication that an inspection be made of the

road at the point where the accident occurred with the view of having the necessary repairs made to prevent further accidents occurring.

District Attorney Swart, who was present at the meeting when the communication was read, stated that he was at the scene of the accident shortly after it had occurred and from observations made by him he was convinced that the automobile had not skidded on the road but Mrs. Morley, on account of the dense fog, had driven off the road and the machine plunged over the embankment. Swart said that a guard rail, had it been there, might have assisted the driver in keeping the edge of the road but he did not believe that it would have prevented the machine from going over the bank.

The board felt that everything should be done to safeguard the road where necessary and on motion of Hickey, seconded by Thompson, left the matter in the hands of the supervisor of the Fifth township. The clerk was also directed to answer the communication from the Automobile Association, giving that body the facts of the case and telling them what action the board had taken.

Supervisor Thompson explained that a strip about 150 feet long and 30 feet deep had been taken from Mrs. Fessler's property when a wash-out occurred on the road and at his suggestion, Chairman MacBain instructed County Engineer Kneese to visit the property and ascertain just exactly how much land had been taken.

The report of Miss Anna Bell Bailey, county librarian, for the month of October, 1919, showing expenditures of \$564.70, was received and ordered filed.

SUPREME COURT RENDERS DECISION IN GREEN CASE

The opinion in the case of Kenneth M. Green against the South San Francisco Railroad and Power Company has been received at the county clerk's office from the supreme court. The opinion was written by Judge Shaw and incurred in by all the other judges.

The court holds that defendant violated no duty owing to or by plaintiff to exercise care in his behalf at the place of the injury and for this reason the judgment is reversed.

Mr. Green was given a judgment by a jury in the superior court some months ago for \$15,000 for the loss of an arm at South San Francisco some years ago. The appellate court sustained the judgment but the supreme court reversed the judgment.

SUES FOR DIVORCE

Charlotte Fitzgibbons has filed suit for divorce at Redwood City against Joseph Fitzgibbons alleging failure to provide. Attorney J. W. Coleberd of South San Francisco represents the plaintiff.

ANNUAL MEETING

The regular Annual Meeting of the Stockholders of Ocean Shore Land Co. will be held at the office of the Company in Salada Beach, San Mateo County, California, on Tuesday, November 25, 1919, at 11 o'clock A. M. for the purpose of electing a Board of Directors to serve for the ensuing year, and the transaction of such other business as may come before the meeting.

Stock Transfer Books will close on Friday, November 14, 1919 at 12 M.

THOMAS QUIGLEY, Secretary.

FOR SALE

Sealed bids will be received by the Independence Hall Association at Woodside up to and including December 14th at 2 P. M. for lot 100 x 200 fronting on Allison Avenue, one block from Highway, including Hall Building. Separate bids on one Kohler & Chase piano. The Association reserves all rights to reject any and all bids. Address proposals to: H. JENKINS, Secretary, R. F. D., Box 129, Redwood City, 36.

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF SAN MATEO.

Action brought in the Superior Court of the State of California, in and for the County of San Mateo, and the complaint filed in said County of San Mateo, State of California.
